

Human Nature, Party

We're gonna have a party
Let's have a party

Come on people - grab somebody
Everybody's on the floor - got the groove 2 on 4
So come on take me - 'Cause I've been waiting
For this party to arrive - so won't somebody shut the light

Lover here for every kind
Everybody's satisfied
Livin' every moment 'cause it feels so fine

CHORUS

We're gonna have a party (everybody party)
Let's have a party (everybody party)
We're gonna have a party (everybody party)
Let's have a party
'Til the break of dawn

Everybody gather round now
Human Nature 'bout to play - all the ladies gonna stay
So come on down now - we got it goin'

Well this night ain't gonna die- 'cause everybody's feelin' fine

Lover here for every kind
Everybody's satisfied
Livin' every moment 'cause it feels so fine

CHORUS

(Everybody's gonna feel so fine - ya gotta check the beat
Everybody's gonna feel so fine - ya gotta check the beat)
It's gettin' early - nobody sleeping
I ain't a workin' 9 to 5 - that kind of thing it just ain't right
So party people - gather round now
'Cause I got something to say - and this party's here to stay

CHORUS

There ain't no other I'd rather
be lovin' with baby
Down on the floor is the
place I'll be doin' ya baby
