

# Human Nature, Party (Feels So Fine)

We're gonna have a party  
Let's have a party

Come on people - grab somebody  
Everybody's on the floor - got the groove 2 on 4  
So come on take me - 'Cause I've been waiting  
For this party to arrive - so won't somebody shut the light

Lover here for every kind  
Everybody's satisfied  
Livin' every moment 'cause it feels so fine

## CHORUS

We're gonna have a party (everybody party)  
Let's have a party (everybody party)  
We're gonna have a party (everybody party)  
Let's have a party  
'Til the break of dawn

Everybody gather round now  
Human Nature 'bout to play - all the ladies gonna stay  
So come on down now - we got it goin'  
Well this night ain't gonna die- 'cause everybody's feelin' fine

Lover here for every kind  
Everybody's satisfied  
Livin' every moment 'cause it feels so fine

## CHORUS

(Everybody's gonna feel so fine - ya gotta check the beat  
Everybody's gonna feel so fine - ya gotta check the beat)  
It's gettin' early - nobody sleeping  
I ain't a workin' 9 to 5 - that kind of thing it just ain't right  
So party people - gather round now  
'Cause I got something to say - and this party's here to stay

## CHORUS

There ain't no other I'd rather  
be lovin' with baby  
Down on the floor is the  
place I'll be doin' ya baby
