

Human Nature, Ride Away

Ooh, yeah, Oooh
Ride away, to a better, better day
Ride, ride-a, ride away
I recall a better time
When we opened up our mind to dreaming
But this life can dull the shine
And the day to day can be so trying

Then it's time to let it go
Let the world just pass below
And we'll....
Ride away
Leave behind the troubles for a better day
do-do-do-do-do-do-do-do-do-do-do
Ride away
Forget about the hard times, find a better day
do-do-do-do-do-do-do-do-do-do-do

On the wind, lays a way
There's a paradise to find in living
Take my hand, I'll show the way
To the secret place where love is hiding

Then it's time to let it go
Let the world just pass below
And we'll....
Ride away
(C'mon baby and we'll ride)
Leave behind the troubles for a better day
do-do-do-do-do-do-do-do-do-do-do
Ride away
(C'mon baby and we'll ride)
Forget about the hard times, find a better day
do-do-do-do-do-do-do-do-do-do-do

[repeated] - do-do-do

C'mon baby ride away
Ridin' away, ridin' away, ridin' away
We can leave today
We can wake up and start living
Ridin' away, ridin' away, ridin' away
There's no need to stay
There's a better time awaiting

Ride away
(Oh, yeah)
Leave behind the troubles for a better day
do-do-do-do-do-do-do-do-do-do-do
Ride away
(Oh ride away)
Forget about the hard times, find a better day
do-do-do-do-do-do-do-do-do-do-do

Ride away
(C'mon baby and we'll ride)
Leave behind the troubles for a better day
do-do-do-do-do-do-do-do-do-do-do
Ride away
(C'mon baby and we'll ride)
Forget about the hard times, find a better day
do-do-do-do-do-do-do-do-do-do-do
