

Human Nature, Stomp

(Everybody C'mon)
Let it out, the weekend's on the mind
Fill it up, let's blast the jam tonight
While we're cruisin' around in the streets
(cruise those streets let's lis...)
Let's listen up for the party beat
(Party beat so slap...)
So slap the funk let the bass beat around me tonight

Everybody take it to the top we're gonna stomp
All night
In the neighbourhood
Don't it feel alright
Gonna stomp
All night
Wanna party 'till the morning light

Runnin' Runnin' Runnin'
A-a-ah

Band is hot there's people wall to wall
(Everybody party)
Old ones, youing things, short ones standing tall
So grab the groove with a smile on your face
(Smiling faces)
Hit the the harbours and ride all places
(Ride all places)
The heat is on and the funk just won't leave us alone
(Funk won't leave us alone)

Everybody take it to the top we're gonna stomp
