

Human Nature, Stop! In The Name Of Love

Stop! In the name of love
Before you break my heart
Think it over
Think it over

Baby, baby
I'm aware of where you go
Each time you leave my door
I watch you walk down the street
Knowing your other love you'll meet
But this time before you leave my arms
And rush off to his charms
(Think it over) After I've been good to you
(Think it over) After I've been sweet to you

Stop! In the name of love
Before you break my heart
Stop! In the name of love
Before you break my heart
Think it over
Think it over

I've known of your
Your secluded nights
I've even seen him
Maybe once or twice
Tell me is his expression
Worth more than my love and affection
This time before you leave my arms
And rush of to his charms
(Think it over) Haven't I been good to you
(Think it over) Haven't I been sweet to you

Stop! In the name of love
Before you break my heart
Stop! In the name of love
Before you break my heart
Think it over
Think it over

I've tried so hard
hard to be patient
Hoping you'd stop this infatuation
But each time we are together
I'm so afraid I'll be losing you forever

Stop! In the name of love
Before you break my heart
(dont you break my heart)
Stop! In the name of love
(stop in the name)
Before you break my heart
(baby)
Stop! In the name of love
(in the name of love)
Before you break my heart

Baby, think it over
Think it over, baby
Ooh, think it over baby...
