

Human Nature, Wishes

Sometimes I wish that I could turn back time
I check myself 'cause I was way out of line
I only hope that we can start all over again
I must admit that I was more than wrong
I used your heart like a stepping stone
Please forgive a fool who doesn't know what to do
What do I do?

And I wish that I could have just one more chance
And I wish that I could be your pillar of strength
And I pray that you will see that what I'm saying is true
'Cause I, I wish for you

In my mind I can see your face
You're on the breath of every word I say
If there's anyone to place a blame on it's me
Baby can't you see?
And I wish that I could have just one more chance
And I wish that I could be your pillar of strength
And I pray that you will see that what I'm saying is true
'Cause I, I wish for you

I wish for you
I wish for you
Oh baby I wish ...
I really miss you baby
I think about you baby
I wanna hold you baby (all night long)
I really need you baby
I wanna hold you baby
Stay (won't you stay) with me
Just stay with me

And I wish that I could have just one more chance
And I wish that I could be your pillar of strength
And I pray that you will see that what I'm saying is true
'Cause I, I wish for you

I wish for you
I wish for you
Oh baby I wish
For you
