

# Hunger, Devil Thumbs A Ride

I'm filled up inside a world of sin  
But I don't know how it all begins  
When my blood shot eyes are  
burning  
And the devils thumb is turning  
That's when I feel alive  
That's when I feel alive  
That's when I feel alive  
Drunken times livin' high the  
devil knows  
He says, hey brother, hey, you  
don't need control  
Drunken times livin' high the  
devil knows  
He says, hey brother hey, your  
gonna lose your soul  
Burnin' down the road the devil  
grins  
And baby, baby, baby, he smells  
of sin  
When you're betting that you'll  
win  
That's when you'll sin and sin  
again  
That's when I feel alive  
That's when I feel alive  
That's when I feel alive  
Drunken times livin' high the  
devil knows  
He says, hey brother, hey, you  
don't need control  
Drunken times livin' high the  
devil knows  
He says, hey brother hey, your  
gonna lose your soul
