

# Hunters & Collectors, This Morning

I know, I know  
She's gonna go this morning  
No sun will shine today  
And this body's feeling strained and dispossessed  
Full of fear and trembling for her  
Her last words to go away  
Yeeeaah

But blind faith's trying to tell me it isn't over  
Tell me it do not have to be  
And storm water's weeping on my bedroom window  
Blow me up and throw me up and

Please, come on and please me  
Tease, come on and tease me  
Please, come on and please me  
Come on and tease me

If you say you want me  
I won't say no  
Because nothing's gonna pacify, satisfy  
That rattlin' window

If you say you want me  
I won't say no  
Because nothing's gonna pacify, satisfy  
That rattlin' window

I know, I know  
She's gonna go this morning.  
No sun will shine today  
And this body's feeling strained and dispossessed  
Full of fear and trembling for her  
Her last words to go away

But blind faith's  
Trying to tell me it isn't over  
Tell me it do not have to be  
Storm water's weeping on my bedroom window  
Throw me up and blow me up and

Please, come on and please me  
Tease, come on and tease me  
You gotta tease me

If you say you want me, I won't say no  
Because nothing's gonna pacify, satisfy, pacify, satisfy, pacify, satisfy  
That rattling window
