## **Hunters & Collectors, This Morning**

I know, I know She's gonna go this morning No sun will shine today And this body's feeling strained and dispossessed Full of fear and trembling for her Her last words to go away Yeeeaah

But blind faith's trying to tell me it isn't over Tell me it do not have to be And storm water's weeping on my bedroom window Blow me up and throw me up and

Please, come on and please me Tease, come on and tease me Please, come on and please me Come on and tease me

If you say you want me I won't say no Because nothing's gonna pacify, satisfy That rattlin' window

If you say you want me I won't say no Because nothing's gonna pacify, satisfy That rattlin' window

I know, I know She's gonna go this morning. No sun will shine today And this body's feeling strained and dispossessed Full of fear and trembling for her Her last words to go away

But blind faith's
Trying to tell me it isn't over
Tell me it do not have to be
Storm water's weeping on my bedroom window
Throw me up and blow me up and

Please, come on and please me Tease, come on and tease me You gotta tease me

If you say you want me, I won't say no Because nothing's gunna pacify, satisfy, pacify, satisfy, pacify, satisfy That rattling window
