## Huntingtons, Bonzo Goes To Bitburg

you got to pick up the pieces come on, sort your trash better pull yourself back together maybe you've got too much cash better call, call the law when you gonna turn yourself in, yeah you're a politician don't become one of hitler's children

bonzo goes to bitburg then goes out for a cup of tea as i watched it on tv somehow it really bothered me drank in all the bars in town for an extended foreign policy pick up the pieces

my brain is hanging upside down i need something to slow me down ooh yeah, my brain is hanging upside down and i need something to slow me down

shouldn't wish you happiness wish her the very best fifty thousand dollar dress shaking hands with your highness see through you like cellophane you watch the world complain but you do it anyway who am i, am i to say

if there's one thing that makes me sick it's when someone tries to hide behind politics i wish that time could go by fast somehow they manage to make it last
