

Huntingtons, I Don't Wanna Go Out With Her

i saw her at the show last week to be nice i said hello
she told her friends that we're a (?) and she won't leave me alone

i wish she'd go away
i don't need this today
and i don't understand why she would wanna hold my hand and that's why

i don't wanna go out with her (no oh)
i don't wanna go out with her (no oh)
i'm sick of her whining
and tired of her crying and acting so immature
and i don't wanna go out with her

i've never really (?) that girl but i guess (?) try
'cause i don't think she's going away (?)

maybe if i said it nice and slow
she'd get the point and turn around and go
and i could go on with my life (?)
(?)
