

Huntingtons, Nobody Likes Me

Nobody likes me, nobody likes me

You tell me I'm not good enough
And my last record really sucked
And that I should just give it up oh yeah

Cause nobody likes me, nobody likes me

Build me up then drag me down
Punch kick yeah shove me around
Toss me in the lost and found oh yeah
You tell me I'm not good enough
And my next record's gonna suck
And that it's time to give it up oh yeah

Cause nobody likes me, nobody likes me
And I don't care
