

Huntingtons, She's The One

yeah yeah she's the one
yeah yeah she's the one

when i see her on the street
you know she makes my life complete
and you know i told you so
she's the one she's the one

yeah yeah she's my girl
yeah yeah she's my girl

know i'll never find a girl like you
but in my heart i'll always love you

but in my heart i'll always be true

yeah yeah she's the girl
the best girl in the whole wide world
