

# Huntwork Hewitt, The Only Drowning Goldfish

I dreamed I was  
I dreamed I was a goldfish  
I dreamed I lived  
I lived beneath the water  
I dreamed I was  
I dreamed that I was gorgeous  
I dreamed your gun  
I dreamed that you shot me  
I dreamed that I was gorgeous  
I dreamed that you shot me  
I dreamed life was  
I dreamed that life was easy  
I dreamed we laughed  
Our laughs turned into goldfish  
I dreamed they were  
I dreamed that they were gorgeous  
I dreamed they swam and nobody could hurt them  
Nobody could hurt them  
And if I was a goldfish  
I'd dream that I was drowning  
Drowning on the sidewalk  
And only you could save me  
And if you wouldn't save me  
I'd dream that we were goldfish  
I'd dream that we were drowning  
The only drowning goldfish  
I dreamed Goldy  
I dreamed he was a person  
I dreamed he laughed  
His laughs turned into people  
I dreamed he spoke  
And told me all his secrets  
I dreamed he said  
That killing fish is easy  
And being kind is easy  
And drowning fish are stupid  
Drowning fish are stupid
