

# Hurricane #1, Stand In Line

I will remember all my life  
moments you have frozen in time  
living, but no longer alive  
wrapped around my mind in line  
I don't want to stand in line.  
I was a product yesterday  
but living well has made me feel okay  
and so i realize there comes a time  
to get up and refuse to stand in line.  
I don't want to stand in line.  
the easy life seduces you and then  
you wake up then one day you're one of them  
living, but no longer alive  
what a waste of time in line  
I don't want to stand in line.  
I will remember all my life  
moments you have frozen in time  
living, but no longer alive  
wrapped around my mind in line  
I don't want to stand in line.
