

# Hurriganes, My Sweet Lily

I was walking down the streets of Boston town  
A couple bad robbers came and hit me down  
Oowee oohla, oh let us rock  
Came a pretty girl and she held me nice  
Im in seventh heaven feeling oh my,oh my  
Oowee oohla , oh let us rock  
I just need a baby who will take my heart  
And i need a sugar  
Who will never,ever,ever,ever part  
Oowee oohla, oowee oohla  
Oh let us rock  
Guitar solo  
Vers 1  
Vers 2  
Vers 3  
Oowee oohla , oowee oohla  
Oh let us rock
