

Hurriganes, Roadrunner

Heres comes Jimmy , dont you know
Got no rocking , aint got no blow
Another chicken , another hen
Rock on baby
Hey hey hey
Rock with me leader
Slowly
Down the road
Pick up
Do you rock and roll
Hello lover , dont be bad
Dont just sit there , make me mad
Another rooster , another goose
Rock me baby
Hey little saturday night club
Another saturday night
Cmon little saturday night club
One more saturday night
Hey hey hey....
