

Husky Rescue, Sleep Tight Tiger

Sleep tight tiger
Sleep tight tiger - sweet dreams till tomorrow
Sleep tight tiger

I love you love you first thing in the morning
The day time the night time when the angels are calling
They whisper in the top of my tongue
a tiny little worlds that tickles your ear drum

Sleep tight tiger
Sleep tight tiger - sweet dreams till tomorrow
Sleep tight tiger

Sleep tight tiger sweet dreams till tomorrow
I'll be teardrop in your pillow the beautiful sorrow
I love you like I do in the noon
I am the shadow on your skin and I'll be gone very soon
