Homie I'm hood

Fuck it I'm good
The killers feel me
And they don't kill me, mang I hustle
1 man hit team, Ali Bang for muscle
What do we have hear now
Nope, not 2pac another thug nigga
Braze similar style
Hard life entertainment and life
To a white mans world
When u get played wit your life
Wont front I'm a rap nigga
But the dangerous type
And how I'm livin
I aint sayin its right
But I'm the real hood
I bang and floss on these niggas cuz it feels good
And if the jealous aint kill them
The pills would
These niggas know they know
What I'm know for
But they won't think it's real
Till I'm standing in their grill
Wit a chrome 4

(Chorus)
Welcome to my world of materialistic mafuckers
That's how its is when I'm hanging and banging
