

# Hybrid, If I Survive (Jerome Sydenham Remix)

If I survive...

If I survive...

If I survive...

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you.

If I survive...

If I survive...

If I survive...

If I survive...

If I survive...

If I survive...

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you.

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you,

If I survive I'll tell on you.
