

Hypertraxx, Tale 1

Tale 1

i hear drakness
which side are you on
we dint konw what tomorrow would bring
the world keeps turning
nomatter what we do
someday we wake up blinded by daylight. soo you just might
take a step in to the night. so peaceful and quite
No light in sight. you have the chouse, come follow us
dont be afraid, it is never to late to change side
One day you come to the piont where there are no return
come with us
