

Hypocrisy, Apocalypse

...since I was a child, I saw my own way.
and god was not a part of it.

I am so sick of hearing your preach about heaven
all this bullshit about paradise.

[chanting]

You (The) christians must be stopped from spreading all the lies,
(The only way to gather them, with a)
(with the sound) (a bang.)
Have mercy
It's the ending...of your life.

As my mind slips away,
I see no end of this misery
The only truth is myself,
I can't go on this way
NOOOO!!

[Chantings]
I use for killing, to the end of the rainbow.
All alone I'll be there.
NOOO!!!
When their time has arrived.
Have mercy.
It's the end, of your life.
When their time has arrived.
Have mercy.
It's the ending, of your life.
