Hypocrisy, God Is A Lie

So, you think you're a god! You're nothing but a piece of shit, and if I get my hands on you, you will slowly die! Oh the church of God preaching all the shit I'm not scared of you I think Jesus, **GOD IS LIE** I rule this world, and Satan's son was sent. Son of evil, heart cold as blood. Father Satan give me your power! To create a new world. Assemble at the gate, and we'll be as one. Reaches night, the end of dawn, evil. **GOD IS A LIE** All my slaves and await, obey me and you die!
