

Hypocrisy, Mental Emotions

Reality! my fault, as I cut you deep. My deacon knows as I cut you with this knife
????????????????

The energy! provided by the blood on the sacred knife thats in you

This sacrifice I give to you my lord?????????? king of hell

Theres no control, a bloody gore, hanging from the ceiling, I cut wide open your body

I feel a-live!!!! Their fate they decide, I release avenge on your mankind

Love will float away, as I tear the body apart, Mental Emotions never AGAIN!!!!!!!!!!
