

Hypocrisy, Uncontrolled

Slip inside cuz' the day has no future
I don't know where to start
Deep as it waste
You run your war like a blind man
The sympatric will never die

[Chorus 1]
I can't control myself
I don't know why
The devils in my head
Is pulling me another role

[Chorus 2]
Hear it's coming
I know what('s) over my head
Turn 'em slowly
Into my deadly day

-Awooh-

Sure my ass is on the public places
I'm too blind to care
You can contest, it's only nightmares
I'll do everything for a land

[Chorus 1]

[Chorus 2 x2]

[Solo stuff]

Reality bombs away
I'm Falling too fast
I need another dream
To wake in whisper
...Nooo!
