

# Hypocrisy, Unfold The Sorrow

they have made you ?  
you always dreamed of a normal life  
but the ? has always been out on you  
and taking ?

forgive me but you ain' t easy  
as it hurts me more to see you lie  
before you' re all dead  
you must die

good-bye my love  
i' m taking your life  
? you from me  
to slowly slip away  
i' m putting your sick body to sleep  
so you can have a peace of mind  
good-bye my love  
killing you with my bare hand

you tried to put away the ?  
as i try to ?  
looking at me eyes wide dead-splitting down  
i'm ? the father take  
to decide it's a ?

good-bye my love  
i' m taking your life  
? you ?  
to slowly stream away  
i putting of ? body  
so you have a peace of mind  
good-bye my love  
killing you with my bare hand
