

# Hyunjun Hur, VO!D

Hangul :

All my life's been paid due  
I had one way (ah)  
Can you say you loved me  
If I lost my way?

Forgot the ways to find you  
No sight just blinds my mind  
The void controls my life  
There's none of me

All my life's been paid due  
I had one way (ah)  
Can you say you loved me  
If I lost my way?

Forgot the ways to find you  
No sight just blinds my mind  
The void controls my life  
There's none of me

Give me time to say,  
□□□□ □□  
Did I sin for me? (Ah)

But I can't explain,  
□□□□ □□  
Was it all for me? (Ah)

I thought,  
□□ □□□ □□□□□  
You would wait for us  
You would wait for me

Ah, ah

I don't wanna go to waste  
Cuz I see your face under every  
lights I've shined bright

I don't wanna run away  
Cuz I need your say if I go someway ah

I know, I know  
I'm searching for ways to tell the day  
I know  
□, □□□□ should've told you babe

All my life's been paid due  
I had one way (ah)  
Can you say you loved me  
If I lost my way?

Forgot the ways to find you  
No sight just blinds my mind  
The void controls my life  
There's none of me

□□□ □□,  
(Won't you bring me back)  
□□ timing  
(You don't have to buy me)  
□□□ □□□

(Make my words hurt back)  
I'm just hiding

Nothing I can do

□□ □□□

□□ □□□

□ □ □□ □□ □□□

All my life's been paid due  
I had one way (ah)  
Can you say you loved me  
If I lost my way?

Forgot the ways to find you  
No sight just blinds my mind  
The void controls my life  
There's none of me
