I am Kloot, No Direction Home

Crawl upon the earth, scour the universe you know
Set my compass north, circumscribe the earth and go - no direction homeWhats my part in this, wh
Whats your weight of this, what d'ya want to see and who d'ya want to know
You've no direction home, no direction home, no directionFeels like all is lost, there's nowhere left to
Through the seasoned sands, cross the sky to the morning snow
Is there no direction home, nowhere left to go, no direction home
