

I'm From Barcelona, Oversleeping

Damn! Oversleeping again
Damn! I can't believe I did it once again

I can make it in time
if I jump out of bed
if I skip to wear clothes
and get running instead
if I get on my feet
if I skip to hit snooze
if I don't care to eat
and get running instead
I can make it in time

Been oversleeping on Monday
I don't care let's pretend that it's Sunday
