

15, First Kiss

Hey, yeah

Will I close my eyes, will I hold my breath
Will I wanna cry, will are souls connect
I've been thinkin' about it when I go to bed at night I wonder, wonder
Will you hold my hand, will you speak of love
Will the stars be shining in the sky above
Will it be all that I'm dreamin' of for so long, holdin' on

(Chorus)

Our first kiss won't be the last
Are loves to deep to end that fast
And good things come to those who have to wait
I believe its only time that keeps us from the thing divine
And when it's here you know I'm gonna say
Lay it on my lips

Will it taste like candy, will it be that sweet
Will are hearts be racing to a heavenly beat
Will the moment sweep me off my feet
And draw me under, under
Will I tremble, tremble, when I beg for more
Will it be like anything I've never felt before
Will it be down for a little more
One thing I, I know for sure

(Chorus)

Our first kiss won't be the last
Are loves to deep to end that fast
Aand good things come to those who have to wait (wait)
I believe its only time that keeps us from the thing divine
And when it's here you know I'm gonna say
Lay it on my lips

(Chorus)

Our first kiss won't be the last
Are loves to deep to end that fast
And good things come to those who have to wait (wait)
I believe its only time that keeps us from the thing divine
And when it's here you know it's gonna stay , gonna stay now

I can picture it all, inside my head
Just how it's going to be, but a girl can dream so much
Now she wants to make it real, make it real

Break it down

Our first kiss won't be the last
Are loves to deep to end that fast
And good things come to those who have to wait (wait for me)
I believe its only time that keeps us from the thing divine
And when it's here you know I'm gonna say, you know I'm gonna say

(Chorus)

Our first kiss won't be the last
Are loves to deep to end that fast
And good things come to those who have to wait
(baby, you know you gotta wait)
I believe its only time that keeps us from the thing divine
And when it's here you know it's gonna stay, gonna stay now

Make it real now, make it real now (ohhhh)

(Chorus)

Our first kiss won't be the last

Are loves too deep to end that fast
And good things come to those who have to wait
(you know you gotta wait)
I believe it's only time that keeps us from the thing divine
And when it's here you know I'm gonna say
Make it real, make it real now

(Chorus)
Our first kiss won't be the last
Are loves too deep to end that fast
And good things come to those who have to wait
I believe it's only time that keeps us from the thing divine
And when it's here you know I'm gonna say
