

IAMX, Pretty Little Angel

She wants one
For nothing
To keep it
Reacting
Controlled then
Forever
She was
And never felt better
She's open
She's wildlife
Caressing
The bright life
Religious
Pleasure to pain
The kiss
The kill
The poetry
The freak way
The kiss
The kill
The poetry
The freak way
The kiss
The kill
And never felt better
She wants one
For nothing
To keep it
Reacting
Controlled then
Forever
She was
And never felt better
Pretty little angel
Can we play your game?
I will be gentle
I will move to your pace
Show me the reaction
Come home with me
Give it some attention
I was made for you
Built to please
Show me the reaction
Show me the reaction
Show me the reaction
Show me the reaction

I can't forget you
You are the devil
You are the devil's foreplay
No, I can't forget you
You are the devil
You are the devil's foreplay
