

# IAMX, Tear Garden

I saw bright open common sense,  
I do evil things and evil things return,  
And I'm praying on, I'm praying for me.  
You can't hide, I remove from you every  
Tiny strength in everything you do.  
I kick you down,  
I'll break you with a tender touch,  
And then the tears cried in the tear garden,  
Will be for life.  
And then the tears cried in the tear garden,  
Will be for life.  
In the west they have made a plague,  
We have built the ship, sailed it to our veins,  
Don't think anything will break that chain.  
At our road, we connected through,  
The biology of universal cruelty,  
Send me home, return me to a lonely world.  
And then the tears cried in the tear garden,  
Will be for life,  
And then the tears cried in the tear garden,  
Will be for life.
