

# Ian Astbury, High Time Amplifier

take it high let it ride yeah love is on the rise  
take it high let it ride yeah love is on the rise  
i got a high time amplifier a high time amplifier i feel good yeah  
i got a high time amplifier a high time amplifier i feel good yeah  
i got a high time amplifier a high time amplifier i feel good yeah  
i see a star in her eye sky that totally mystifies me that totally mystifies me  
i got a high time amplifier a high time amplifier i feel good yeah  
so i'll knock it out of the world it can't deny me the world it can't deny me  
high time high time  
high high higher  
high high higher  
high high higher  
high high higher  
take it high let it ride yeah love is on the rise  
take it high let it ride yeah love is on the rise  
take it high let it ride yeah love is on the rise  
take it high let it ride yeah love is on the rise  
i got a high time amplifier a high time amplifier i feel good yeah  
i got a high time amplifier a high time amplifier i feel good yeah  
i got a high time amplifier a high time amplifier i feel good yeah  
i see a star in her eye sky that totally mystifies me that totally mystifies me  
i got a high time amplifier a high time amplifier i feel good yeah  
so i'll knock it out of the world it can't deny me the world it can't deny me

i got a high time amplifier a high time amplifier i feel good yeah  
so i'll knock it out of the world it can't deny me the world it can't deny me  
little girl little boy  
i see them dancing in this crazy world  
i see a green eye in the moonlight  
i see a striptease of a dope fiend  
i see a lot of love i see a lot of love
