

# Ian Astbury, Tyger

stop the race and damn your age 'cause you're mine today  
you're so beautiful and alive i love you this way i love you this way  
i burn so brightly bright like a tyger  
i burn so brightly bright like a tyger  
i burn so brightly bright like a tyger  
i burn so brightly bright like a tyger  
you've got the look of a devilish girl  
and your glance is entrancing intoxicating  
cigarettes won't get your fix here in your heart  
coffee heroin angels are spinning in your heart  
yes i love you this way  
your innocent life  
i burn so brightly bright like a tyger  
i burn so brightly bright like a tyger  
i burn so brightly bright like a tyger  
i burn so brightly bright like a tyger  
bright like a tyger bright like a tyger burn brightly like a tyger  
bright like a tyger bright like a tyger burning brightly like a tyger
