

Ian Brown, Keep What Ya Got

Yesterday came suddenly
Tomorrow will receive
Today now you're at the wheel
I'll ask "How does it feel?"

Yesterday when Heaven's gates
I contemplate, they seem so far,
Today they ain't so far away
And almost seem ajar.

Keep what ya got, by giving it all away
Keep what ya got, by giving it all away
Keep what ya got, hold it, don't stop
Keep what ya got, by giving it all away

When your halo slips for good,
You'll have to wear your hood
Good to feel the breeze of fear
On all the cynics, I'm ya mimic
All you losers, all abusers
Wasting all my precious energy

Keep what ya got, by giving it all away
Keep what ya got, by giving it all away
Keep what ya got, hold it, don't stop
Keep what ya got, by giving it all away

Remember where you came from
Sister she told ya on a rainy day
It's said that Heaven holds a place
For all of those who pray
And if you don't believe in my dream
Then you don't care anyway
Nobody or nothing's ever getting in your way

Even as you pray to the Lord
But don't feel you belong
No one's gonna notice if yer ever right or wrong
And if you and your next neighbour
Yeah, you don't quite get along
No one's gonna notice if you're singing anyway
Those not coming in for free well then they gotta pay.
