Ian Carey, Keep On Rising

Down in the depths of my soul Feeling the lost of control In its spirit So colourful If you feel it then let's go To a place where you belong Give it strength to carry on Open your heart Set your mind at ease Live your life And you'll be free

We're gonna rise, rise, rise Keep on rising Rise, rise, rise Uhmmmm uhhm

Rise, rise, rise Keep on rising Rise, rise, rise Yeah Hey yeah Uhmm

Sometimes you feel like You're down and out Feeling the pressure And you're in doubt And your feeling low Nowhere to go Don't you worry I know you're gonna

Rise, rise, rise Keep on rising Rise, rise, rise Yeah Hey yeah Uhmm

We're gonna rise, rise, rise Keep on rising

We're gonna rise, rise, rise Keep on rising Rise, rise, rise

Keep on rising, rising, rising Rising, rising, rise ohh ohh yeah
