

# Ian Dury, Wake Up And Make Love With Me

I come awake with a gift for womankind  
You're still asleep but the gift don't seem to mind  
Rise on this occasion, halfway up your back  
Sliding down your body, touching your behind.

You look so self-possessed  
I won't disturb your rest  
It's lovely when you're sleeping  
But wide awake is best.

Wake up and make love with me, wake up and make love  
Wake up and make love with me  
I don't want to make you, I'll let the fancy take you  
And you'll wake up and make love.

You come awake in a horny morning mood  
And have a proper wriggle in the naughty naked nude  
Roll against my body, get me where you want me  
What happens next is private, it's also very rude.

I'll go and get the post  
And make some tea and toast  
You have a lover's sleep, love  
It's me that needs it most.

Wake up and make love with me, wake up and make love  
Wake up and make love with me  
I don't want to make you, I'll let the fancy take you  
And you'll wake up and make love.

Wake up and make love with me, wake up and make love  
Wake up and make love with me, wake up and make love  
Wake up  
Wake up  
Wake up  
Wake up.
