

# Ian Eskelin, Magnify

You are my hope  
You are the fire  
My truth

All of my life  
All I desire  
Is You

What a wonderful Saviour  
What a beautiful truth  
What a glorious God and King  
Let creation sing

Magnify Your holy name  
To worship in Your presence  
Is the reason I was made  
Magnify Your holy name  
Let the angels cry and my soul reply  
Magnify

Heart of my heart  
Song of my song  
My King

All that I have  
All that I am  
I bring

What a wonderful Saviour  
What a beautiful truth  
What a merciful mighty King  
Let Your praises ring

And I sing

Holy, holy is Your name  
Worthy, worthy to be praised  
Holy, holy is Your name  
Let the angels cry and my soul reply
