

# Ian Eskelin, The Solid Rock

On Christ the solid rock I stand  
All other ground is sinking sand  
On Christ the solid rock I stand  
All other ground is sinking sand

My hope is built on nothing less  
Than His righteousness alone  
And so I&#039;ll stand faultless  
Before the throne

When all around my soul gives way  
I will lean on Jesus&#039; name

When darkness tries to fill my days  
I&#039;ve got His unchanging grace  
Cos&#039; at the cross He said my name  
And took my place

When everything comes crumbling down  
In Him alone I will be found

My hope is built on nothing less
