A bottle shaped message
A tongue shaped kiss
A dancing nylon shirt
A girl shaped dress
A dancing nylon shirt
A dancing nylon shirt
A dancing nylon shirt
A dancing nylon shirt
A dancing nylon shirt

The fire of life is burning
Burning through the light in my eye
Use imagination
You can tell if it's a joke or a lie

Ooh reach for a bottle of wine
That good old friend of mine
When the seeds of our children
Are blown in the wind and they land in the sand
Where they wither and die
And we reach for the sky
And the desperate truth
That we never could grasp
Becomes clear
