

# Ian Hunter, Now Is The Time

(Ian Hunter)

(Transcribed by Justin Purington; minor correction by Colin Ford)

I can smile  
On a warm summer day  
I can laugh  
I can listen to the children play  
But I'm going to miss  
The killer with the kiss  
He was a friend of mine  
Now is the time  
Now is the time

It's going to rain  
Hope it don't rain on you  
There's going to be a lot of pain  
Before this thing is through  
If Jesus was alive  
He'd be standing on the M5  
Holding up a neon sign  
Screaming now is the time  
Now is the time

Now is the time  
So many people can't see  
They think that love is blind  
But it ain't free  
There's a line  
So many people have crossed  
And now their love is lost  
Say goodbye  
My funny valentine  
Now is the time  
Now is the time

Now is the time  
Now is the time

I can run  
Just as far as my eyes can see  
And I'm free, yeah,  
Just as free as I want to be  
But I won't ever forget  
That crazy little planet  
He was a friend of mine

Now is the time  
Now is the time  
Now is the time  
Now is the time  
Now is the time  
Now is the time  
Now is the time
