

# Ian Hunter, Walk On Water

(Ian Hunter/McNasty)

(Transcribed by Justin Purington)

Little flame tormented soul  
tried to get lost in all that rock and roll  
Came crashing through here like some hurricane  
too much too soon for you little flame

(chorus)  
You can't walk on water  
you can't walk on water, don't try  
like a lamb to the slaughter  
oh! but for the grace of God go I

Little flame caught that savage sound  
he liked to turn it upside down  
well I think I know what you were talking about  
I'm just so sorry that your flame went out

Fun with no conscience, tracks with no tears  
the rich get richer and the devil's got no fears  
Sounds his call, political lies  
there ain't no virtue without sacrifice

You can't walk on water  
You can't walk on water  
You can't walk on water  
You can't walk on water  
You can't walk on water  
You can't walk on water

You can't walk on  
(repeat and fade)
