

# Ian Van Dahl, Forever

I'm all alone in bed, and I can't sleep,  
I'm feeling blue.  
I try to close my eyes,  
but all I'm thinking off is You!  
Baby only you!

I cry my eyes out, baby.  
Wondering what I have to do.  
I look inside my heart.  
And know for sure this love is true.

Day by day, heart to heart,  
I'll hope that we will ever be, together.  
Will it be, me and you?  
I dream that our love will last, forever.  
Hold me tight, in your arms.  
I know we have the strength to stay together.  
Walk with me, hand in hand,  
I promise to be there, forever
