

# Ian Van Dahl, On My Own

I wonder where you are  
I wonder where you go  
I wonder where you are  
I wonder where you go  
I do really need you  
I do really need you

I wonder where you are  
I wonder where you go  
I wonder where you are  
I wonder where you go  
I do really need you  
I do really need you

I wonder where you are  
I wonder where you go  
I do really need you  
I cannot make it on my own

I wonder where you are  
I wonder what you do  
I do really need you  
I cannot make it on my own

I wonder where you are  
I wonder where you go  
I do really need you  
I cannot make it on my own

I wonder where you are  
I wonder what you do  
I do really need you  
I cannot make it on my own

I wonder where you are  
I wonder where you go  
I do really need you  
I cannot make it on my own

I wonder where you are  
I wonder what you do  
I do really need you  
I cannot make it on my own
