

# Ian Van Dahl, Where Are You Now

Where are you now

Lie awake and wonder where you are tonight  
How will I know  
Search for a trace, I look around but you're out of sight  
Where did you go

Thought your love for me was strong  
Was I the only one  
I don't know where we went wrong  
Why did you leave me  
Why did you have to go

I had a dream last night  
A dream about you and me  
Love should last forever baby  
Where are you now

Contemplate the promise you made you'd be my friend  
Until the end  
My heart aches, I'm in a daze, live in no-man's land  
Where do I stand

Thought your love for me was strong  
Was I the only one  
I don't know where we went wrong  
Why did you leave me  
Why did you have to go

I had a dream last night  
A dream about you and me  
Love should last forever baby  
Where are you now
