In tha double tree up 40 flights.

But soakin wet off the power that a nigga hold

Get ya purse and ya pager dont forget ya coat  
Before ya leave slip ya other girlfriend a note  
Tellin her to shake u and bring back a quote  
You get my vote for tha one with tha deepest throat.

Chorus: (x2)

I know this is a gang a bitches by tha silhouette  
Niggaz ran through a few and aint finished yet  
Cuz when it come to tha hoes and time to get it wet  
We only keep tha startin 5 like tha pinatech  
They hit us off wit tha tongue fo tha nut licks  
And follow through to duck6 and butt licks  
Nigga fuck tricks, they in tha back wit they legs up  
And im gon tell u how i want it whether head or guts  
Im spread nuts, set it up, i show you how to wet it up

Up to bat the 3rd time, nigga struck out  
Blamed it on tha bitch and told her "get the fuck out"
