

Ice Queen, Within Temptation

When leaves have fallen
And skies turned to grey.
The night keeps on closing in on the day
A nightingale sings his song of farewell
You better hide from her freezing hell

On cold wings she's coming
You better keep moving
For warmth you'll be longing
Come on just feel it
Don't you see it?
You better believe it.

When she embraces
Your heart turns to stone
She comes at night when you're all alone
And when she whispers
Your blood shall run cold
You better hide before she finds you

Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world

Whenever she is raging
She takes all life away

Haven't you seen?
Haven't you seen?
The ruins of our world

She covers the earth with a breath-taking cloak
The sun awakes and melts it away
The world now opens its eyes and sees
The dawning of a new day

On cold wings she's coming
You better keep moving
For warmth you'll be longing
Come on just feel it
Don't you see it?
You better believe it.

Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world

Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world
