

# Ice T, Girls L.G.B.N.A.F.

1-2, 1-2-1-2-3, I'm the emcee called Ice-T  
That's DJ Evil E, Islam creates the beats  
You girls look so sexy  
I wish you all were up here with me  
You drive me crazy with those big ole butts  
Girl, Let's Get Butt Naked And Fuck!

Tonight, I wanta make this real clear, dear  
I've no time to whisper in your ear  
No time to remove our fears  
I just wanta get near  
Get butt naked and roll around  
Move our bodies like up and down  
Do that stuff that your mama call smut!  
Girl, Let's Get Butt Naked And Fuck!

Come on, you know you wanta do it, too  
It's good to me, and it's good to you  
I only speak what's true  
You say you don't, but I know you do  
Come on up to my room  
We'll undress by the light of the moon  
Lay down and I'll caress that butt  
Girl, Let's Get Butt Naked And Fuck!

I mean real stupid and nasty  
I know what you want, so you don't have to ask me  
Just lay back and I'll operate  
Jimbraski will go to work and penetrate  
And then we'll both feel great  
Make your move tonight, girl, don't hesitate  
We both want it, don't make it tough  
Girl, Let's Get Butt Naked And Fuck!

Homeboys, you know the situation  
You're trying to rap but they give you frustration  
Nose in the air, turnin' you down  
When you really wanta say! "Yo baby let's get down&quot;  
But you don't, you keep frontin'  
Kickin' conversation, ain't talkin' 'bout nothin'  
When all that's really on your mind is what?

"Yo baby L.G.B.N.A.F.&quot;  
That's right if you're a man you want it  
If you're a woman you tease him and flaunt it  
But my crew got to have it  
And after they dog it, I autograph it  
The SYNDICATE don't lecture  
We move in a group, seduce and capture  
And if the posse has good luck  
Girl, Let's Get Butt Naked And Fuck!

ISLAM takes the pictures  
And girls, I'm a say EVIL E's gonna get ya  
Get ya illin' in a nude mode  
A double X-rated episode  
Hotel rooms cold explode, when my posse unloads  
Sex in effect when we're on the road  
Girl, Let's Get Butt Naked And Fuck!

Throw your hands up in the air  
If you love sex I know you're out there  
Safe sex that is, ya gotta be careful with this 88 sex biz  
But that's another song

Girls,move your bodies sexy and the brothers will come along  
Homeboys,move in on that butt and say!  
Girl, Let's Get Butt Naked And Fuck!
