

# Iced Earth, Creatures Of The Night

(Kiss cover)

Searching in the darkness  
Running from the day  
Hiding from tomorrow  
Nothing left to say  
Victims of the moment  
Future deep in doubt  
Living in a whisper till we start to shout

We're creatures of the night  
We're creatures of the night

Breathing in the madness  
Spitting out the lies  
Searching for an answer  
Keep your alibis  
Don't know where we're goin'  
Just know where we've been  
Remember when the clock strikes twelve  
The losers always win

We're creatures of the night  
We're creatures of the night

Searching in the darkness  
Running from the day  
Hiding from tomorrow  
Nothing left to say  
Gathering up our courage  
Ready for the fight  
Howling in the shadows  
Till we start to bite

We're creatures of the night...
