

Iced Earth, Creatures Of The Night

(Kiss cover)

Searching in the darkness
Running from the day
Hiding from tomorrow
Nothing left to say
Victims of the moment
Future deep in doubt
Living in a whisper till we start to shout

We're creatures of the night
We're creatures of the night

Breathing in the madness
Spitting out the lies
Searching for an answer
Keep your alibis
Don't know where we're goin'
Just know where we've been
Remember when the clock strikes twelve
The losers always win

We're creatures of the night
We're creatures of the night

Searching in the darkness
Running from the day
Hiding from tomorrow
Nothing left to say
Gathering up our courage
Ready for the fight
Howling in the shadows
Till we start to bite

We're creatures of the night...
